

Compliance Policy — Anti-Money Laundering & Sanctions Screening

1. Policy Statement

The Bank is committed to zero tolerance for money laundering, terrorist financing, and proliferation financing across all operating jurisdictions.

2. Sanctions Screening

All outward and inward cross-border wire transfers, trade finance transactions, and new customer names must be screened real-time against UN Security Council, OFAC, EU, and domestic sanctions lists.

3. Suspicious Transaction Reporting (STR)

Transactions flagged for unusual patterns, structurings, or red flags must be analyzed by the AML Monitoring Cell and reported to FIU-IND within 7 working days of confirmation.
